

# YOUTH GROUP SKI & SNOWBOARD PROGRAMS

JASPER  
NATIONAL  
PARK

**MARMOT BASIN**  
JASPER-CANADIAN ROCKIES

# WELCOME

OUR FRIENDLY LOCALS AND STAFF  
WILL MAKE YOU FEEL RIGHT AT HOME

## **IDEAL TERRAIN FOR EVERYONE**

Novice, intermediate and expert runs  
can be found off every lift.

## **NOBODY GETS LOST**

Easy to navigate layout with runs that all lead  
to the base of the mountain makes it easy to keep  
an eye on everyone in your group.

## **ROOM TO SKI**

Marmot Basin is one of the least crowded areas  
of its size in all of North America.

“Here in Jasper National Park, your eyes need not make any compromises; this is the heaven into which skiers will ascend.”

-SKI CANADA MAGAZINE

# THE MOUNTAIN

HIGHEST BASE ELEVATION OF ALL MAJOR CANADIAN SKI AREAS

Marmot Basin is the only ski area in Jasper National Park, an 11,000 square kilometer wilderness, which is part of the UNESCO Canadian Rockies World Heritage Site. With breathtaking mountain vistas, 3,000 vertical feet of varied terrain on 1,675 acres, and 86 named runs, Marmot Basin offers groups a mountain of great memories. As the largest, northernmost Rocky Mountain ski area, Marmot Basin enjoys abundant dry, natural snow from mid-November to early May.

“My students were thrilled with their experience, with some stating that it was the best field trip ever. As a teacher there is nothing more rewarding than seeing your students with smiles on their faces.” - JAMIE BURDON, FLORENCE HALLOCK SCHOOL
